

- **COMMON MYTHS ABOUT MALE SEXUALITY**
- Men should not have (or at least not express) certain feelings.
- In sex, as elsewhere, it's performance that counts.
- The man must take charge of and orchestrate sex.
- A man always wants and is ready to have sex.
- All physical contact must lead to sex.
- Sex equals intercourse.
- Sex requires an erection.
- Good sex is a linear progression of increasing excitement terminated only by orgasm.
- Sex should be natural and spontaneous.
